

Leslie Middle School
2019-2020 School Year

Dear Parents/Guardians:

Leslie Middle School has gone “green” with progress reports and report cards. PowerSchool has so easily allowed you to stay updated on your students’ grades that paper progress reports and report cards have become unnecessary. We do understand, however, some families do not have reliable internet connections and cannot consistently check progress, so **families can elect to keep receiving paper progress reports and report cards**. If you would like to continue receiving paper mailings, please complete, detach and return the bottom portion of this letter to the LMS office.

Sincerely,

Todd Gonser
Principal, Leslie Middle School

I would like to continue receiving paper progress reports and report cards for my student(s) listed below:
